

Hestóvin Hoofbeats

WE BELIEVE IN THE POWER OF THE HORSE TO TEACH, INSPIRE, AND HEAL.

Ringling Sleigh Bells

Hear ye! Hear ye! As this year comes to an end and we look to the new year, we ring the **sleigh bells** to call out some of our 2023 Hestóvin milestones.

- ★ We welcomed our first intern, Chloe Bartlett who came to us from Lake Erie College.
- ★ An electric fence was installed - no more visiting our neighbors along East Paris Avenue from the Hestóvin Herd. Our neighbors are invited to come to us for visits though!
- ★ Two words: Colossal Success → First Auction

★ Our herd grew as Jörda joined our stable family.

We Wish You a Merry Christmas and a Happy New Year!

From all of us at Hestóvin Stables to all of you:

May this season of love, peace, and hope be filled with tidings of comfort and joy!

Laura, Deanri, and Aubrey Gunnar, Glóa, Sær, Tatarí, and Jörda

NOTE TO OUR CLIENTS:

We love providing a service that changes lives. Thank you for your commitment to Hestóvin Stables and for becoming part of our family.

A NOTE TO OUR VOLUNTEERS:

The heartbeat of Hestóvin Stables, we appreciate all of you who take the time to assist us in our therapeutical services and special events.
