

Hestóvin Hoofbeats

WE BELIEVE IN THE POWER OF THE HORSE TO TEACH, INSPIRE AND HEAL.

THE HERD IS HOME AT HESTÓVIN STABLES!

ON OCTOBER 25 GUNNAR, SÆR, GLOA AND TATARI ARRIVED.

The Icelandic horses are settling in great to their new home. One of the many reasons they were chosen for this program was their adaptability and calm demeanor while enduring surrounding change.

Session 1 will begin the first week in November and the horses are ready!
