

Hestóvin Hoofbeats

WE BELIEVE IN THE POWER OF THE HORSE TO TEACH, INSPIRE AND HEAL.

On-Ground Spotlight Anna, age 8

“My favorite thing about Hestóvin Stables is learning about horses and getting to know their personalities. I like to find Sær’s tickle spot and I like Tatarí’s long hair. I like talking to Miss Deanri while brushing the horses. She is funny and fun to talk to!”

Anna’s mom tells us, Anna looks forward to coming each week and that Hestóvin Stables feels like a second home to her.

Happy 6 Month Anniversary

We have been open for a little over six months. Much has happened in those six months! Adaptive Riding Lessons, On- Ground Lessons, and Special Events are filling our schedule. And we continue to build our Volunteer base. We are beyond thankful for the support of our community, volunteers, and clients.
