Happy New Year! 2026 is here!

January invites us to pause, breathe deeply, and step into a new year with renewed energy and intention. At the stables winter brings a muffled rhythm; soft nicks, frosty mornings, and horses frolicking through freshly fallen snow.

This year will be loaded with lessons, holiday events, the Summer Carnival, the Tölt and Sold Auction, and many more "fan favorites"...plus some new surprises! We are *raring* to go!

Fun Fact: Despite their smaller size, Icelandic horses are known for their big personalities—curious, gentle, and incredibly people-oriented.

Please read "A Call to Action for the Auction!" This isn't our first rodeo—we've run a successful auction twice in our three years of being open. We already have a proven blueprint. Now we just need **YOU**, and lots of yous. Many hands make light work, and with our tried-and-true plan, this is a team effort that truly runs smoothly.
